SENIOR-FRIENDLY FURNITURE FORUM

In a few years there will be more people over 60 years than under 15 years. That will be the first time that society will experience this.

How will our public spaces, indoor and outdoor look if we design for this future?

OUR KEY SPEAKERS:

Pete Kercher

Ambassador, EIDD - Design for All Europe

Päivi Raivio

PARKLY

UNIVERSAL DESIGN TRAINING SESSION

Lecture 1:

The challenge of human diversity.
The importance of empathy.

What is human diversity and why is it important for the decision-makers in the public and private sector to be aware of the occurring demographic changes?
