

# Save the date Start-up conference Innomission 4

January 24th 2023

## Join the conference to:

create new circular economy partnerships to solve the biggest issues within the plastic and textiles industry

bring Denmark in an even more circular direction – together

become a part of valuable network between universities, businesses and organizations

create and get access to cutting edge research on textiles and plastic.

The conference will take place on the 24th of January, at Volkerts Fylke, Kolding, and will be a full day of sessions, panels and time for setting up new partnerships.

If you are a researcher or organization, we need you to come prepared with your latest research and insight into how we can tackle the circularity challenges of tomorrow and meet the visions of the roadmap.

If you are a plastic or textile company, we need you to come prepared with the challenges and opportunities you see moving forward with circularity in your organization – and be on the lookout for knowledge or partnerships that can help you solve these.

We are looking forward to seeing you.

Kind regards
