

# SPRING/SUMMER COLLECTION 2021

MADE IN ITALY  
RECYCLED COTTON COLLECTION

Rifò represents the combination between:

**-QUALITY**

Each of our garments preserve and transmit a Made in Italy handcrafted tradition, that is everywhere synonymous of quality.

**-SUSTAINABILITY**

Our planet is no more capable of sustaining Fast Fashion rhythms, we need to create value from all the waste we produce.

**-RESPONSIBILITY**

We spread the awareness that every our daily gesture has a huge impact on the environment. Why shouldn't this impact also be social?
